RENOLIT ALKORPLAN CERAMICS

It looks like... but isn't!

RENOLIT ALKORPLAN CERAMICS a 2mm embossed pool liner with the aesthetic appeal and texture of the mosaic tiled designs of Greek Myths.

With the aesthetics of classic Greece, **RENOLIT ALKORPLAN CERAMICS** is one of the most thicker, resistant and lasting liners of the market.

Advantages of the system:

- 1 Guaranteed watertight.
- 2 Quick and easy installation compared to glass mosaic tiling.
- 3 No fallen tiles or crumbling grout.
- 4 Minimum maintenance.
- 5 The 2mm thickness creates a more durable and resilient membrane.
- 6 Easy to weld with an immaculate finish.

Ideal for new pools and for renovations!

It is installed over the existing substrate in half of the time than other linings. It guarantees the watertightness for 10 years with minimal maintenance!
